Foreword

When the fire of your life is an ember
And the days of your youth have fled,
You will never forget to remember
As long as this book can be read,
We have put here the wondrous story
In writing, in picture, and song
All things that brought us glory,
Events that went right and went wrong.
Your schoolmates will live on these pages
Through whatever they have written or done
You will treasure laughs and rages,
In this book full of school day fun.
